TO GIVE TO YOUR OPTIMIST DIVISION 1 TEAMS

for the

OPTIMIST WALK FOR YOUTH

Optimist Junior Interclub Curling League is registered for the Optimist Walk for Youth being held on November 11th.

75% of the monies raised come back to us. 25% will go to the Optimist Club but they in turn donate monies to non-profit groups in our community, including us. It is the only fundraiser of its kind giving us 75% return on our money AND at the same time helping out our community.

If you think about other fundraisers – like pub night, the return on our money is only 30% compared to this Optimist Walk for Youth fundraiser where our return of our money is 75%. It's an easy way to raise funds. Please help and support us!

We challenge each Optimist Junior Interclub Division 1 team to raise at least \$100, that would raise a total of \$1,000 and we earn \$750.

If you cannot walk then we will have walkers on your behalf.

However, we do encourage all of you to come out – it will be a great team bonding time – walk together as an Optimist Division 1 and get to know your fellow team mates or meet new ones.

Thank you for supporting your Optimist Junior Interclub Curling League!
